Order Instituting Investigation into the Gas Market Activities of Southern California Gas Company, San Diego Gas & Electric Company, Southwest Gas Company, Pacific Gas and Electric Company, and Southern California Edison Company and their impact on the Gas Price Spikes experienced at the California Border from March 2000 through May 2001.

Summary: On November 29, 2004, Marzia Zafar, CPUC Relations Manager for Southern California Gas Company (SoCalGas) and San Diego Gas & Electric Company, met with Brian Prusnek, advisor to Cmmr. Kennedy, at Fritz in San Francisco. SoCalGas' briefs and the transcript for the October 25, 2004 hearing were used. Zafar discussed a number of the significant flaws in the proposed decision (PD) and urged that an alternate be prepared. In particular, Zafar pointed out that the evidence does not support the PD's conclusion that SoCalGas knew in advance that congestion was going to occur at the California/Arizona border in the winter of 2000/2001. Zafar also discussed why hub loan repayments are appropriately counted towards the storage target.
